Sub:-Regarding a review meeting of Registered Hospitals.

Dear Sir,

In an ongoing effort to evaluate and enhance healthcare infrastructure across the state, the SOTTO Bihar is convening a strategic review meeting regarding the current status of organ and Tissue Transplantation in Bihar.

This meeting will serve as a collaborative forum for all licensed, registered hospitals currently performing organ or tissue transplant, as well as institutions that have expressed an interest in initiating these critical programs.

We humbly request that your institution sends senior representative such as your Medical, Director, Head of Transplant Surgery, or Transplant Coordinator to attend this meeting.

To ensure our discussion translates into actionable public health improvements, we also request that your representatives forward a structured proposal or set of insights from your institution. Our primary objective is to build a cooperative framework that expands institutional capabilities and ensure these life-saving procedures are accessible and beneficial to all sections of society in Bihar.

Kindly confirm your institution's attendance, along with the names and designations of your representatives, via reply to this email sottobihar@igims.org

We look forward to your valuable participation and to working together to strengthen Bihar's organ donation and transplant ecosystem.

Meeting Agenda

- 1) Renewal of Registration certificate
- 2) Establishment of Retrieval Centre
- 3) Formation of Brain Stem Death (BSD) Committee
- 4) Submission of data related to transplant on NOTTO website and in SOTTO office.
- 5) Awareness on Organ Donation and Transplantation.
- 6) Any Other matters related to organ or tissue Transplantation.

Venue:- Department of Surgical Gastroerology & Liver transplant, lecture Hall,
3rd Floor Polyclinic Block, IGIMS, Patna-800014

Date:- 15.07.2026
